About Us

Introduction

It is an exciting time to be involved in Scouting at Bradford North, as we look to expand and re-structure our District Team in line with Scouting's 'Transforming the Volunteer Experience' project.

We're aiming to create the best possible team to lead Scouts in Bradford North, working alongside our District Lead Volunteer. We're looking for enthusiastic and talented individuals who can support volunteers in the District and help them to deliver exceptional experiences for every young person who wants to join us.

We're currently looking for a volunteer District Support Team Leader to work with us at Bradford North Scouts.

As District Support Team Leader, you'll take the lead in creating and shaping the [Support Team](#). You'll be working closely with others in the [District Leadership Team](#) to lead and inspire volunteers in the District.

This is a senior leadership role within Bradford North Scouts (equivalent to a formerly named role - Deputy District Commissioner) and comes with significant responsibilities. You'll be empowered to make key decisions about the structure of your Team and the tasks it is assigned.

This role offers a unique opportunity to make a real impact on the lives of the young people and adult volunteers in our District through building, nurturing and leading the Support Team to deliver a shared vision - providing the opportunity to be at the very forefront of leading Scouting in Bradford North.

About Scouts

We're Scouts and everyone's welcome here. All genders, races and backgrounds. Every week we give almost half a million people aged 6-25 the skills they need for school, college, university, the job interview, the important speech, the tricky challenge and the big dreams: the skills they need for life.

At a time when communities are becoming more divided, we bring people together. When many young people are struggling to find purpose and belonging, Scouts helps them develop skills, confidence and a sense of hope. We inspire positive futures and help young people find their place in the world by developing the character, employability and practical skills they need to succeed.

With You Every Step of the Way

As Support Team Leader, you'll be supported by the District Lead Volunteer, who will collaborate with you to set goals, overcome challenges, and reflect on your progress. You'll also be a key part of the [District Leadership Team](#), helping to shape the future of Scouting in Bradford North.

Volunteering in Scouts is all about people - and one of the best parts of this role is the team you will be working with. You will join an enthusiastic group of volunteers who are committed to making a difference for young people across our District.

You will have the opportunity to lead, inspire, and support others, while building friendships and helping deliver amazing programme that give young people the skills, they need for life.

You will also have access to support from the County Support Team Leader and other Districts across [West Yorkshire](#).

'Scouts made me a do-er and a give it a go-er. Made me question and listen and have a wide-open mind. Scouts made me take a deep breath and speak up. Made me think on my feet, made me see the big picture, made me ignore the butterflies and go for it. Scouts made me get back up and try again. Made me think about what's next, and plan for it. Made me jump in, get muddy, give back and get set.'

Could This Be Your Next Adventure?

This role might be perfect for you if you:

- Enjoy mentoring and supporting fellow volunteers
- Want to help more young people join Scouts by managing enquiries and waiting lists
- Can spot opportunities to grow or adapt local Scouting to meet changing needs
- Love shouting about the amazing things Scouts do in your community
- Have a knack for organising events and raising funds to support local Groups and District activities.

And if you're someone who's confident with:

- Building strong local connections and partnerships
- Keeping things running smoothly behind the scenes - from finances to digital tools
- Looking after buildings, kit, or equipment.

Commitment

We know Scouts often say “just an hour a week” - and for many roles, that’s absolutely true. But this one’s a little different.

As a Support Team Leader, you’ll be stepping into a key leadership role within the District. It’s a bigger commitment - not just in time, but in responsibility. Some weeks will be busier than others, especially around events, planning, or recruitment. But you won’t be doing it alone. You’ll be part of a supportive team, with guidance from the District Lead Volunteer, access to resources from Scouts UK and West Yorkshire Scouts.

This is a chance to shape the future of Scouting in Bradford North. You’ll grow your own leadership skills, support others to thrive, and help make a real difference in the lives of young people.

Everyone’s welcome, always

Everyone’s welcome. Whether you’ve been in Scouts for years or are brand new, we’ll support you every step of the way with training, guidance, and a fantastic team around you.

We’re committed to equity, diversity and inclusion. We especially welcome interest from people who are currently underrepresented in our leadership roles - including young adults (18–25), women, people from Black, Asian and minority ethnic backgrounds, and those with lived experience of supporting less affluent communities.

Team Structure and Function

Each District has a:

- **Leadership Team:** Leads, inspires, and motivates volunteers in Bradford North. They are the driving force behind the District and are responsible for its operation.
- **14–24 Team:** Supports volunteers in Explorer, Young Leader and Scout Network Section Teams to ensure that great programmes are planned and delivered for young people in this age range.
- **Programme Team:** Supports the District's section teams to work together and delivers events and activities under the District banner.
- **Volunteering Development Team:** Ensures volunteers in the District are welcomed, supported and well looked after.
- **Support Team:** Ensures the smooth running of the District.
- **Trustee Board:** Provides governance to ensure the District is run safely and legally.

Multiple Districts can share some functions, teams or work closely with one another. The District Leadership Teams will make sure the teams are meeting our own District's needs.

Structuring the Support Team

As District Support Team Leader, you'll take the lead in determining the most appropriate structure for the Team to help it achieve its objectives. You'll lead the recruitment and selection of new volunteers to join the Team.

The structure and membership of the Team and its Sub-Teams is expected to evolve over time according to the needs of the Team and the District, and the available volunteer resource.

Sub-Teams

Some teams are quite large, with multiple volunteers doing similar tasks. In these cases, it might be helpful to use sub-teams.

Sub-teams are smaller groups of volunteers with a specific area of focus, sitting within a larger team. For example:

- A Fundraising Team within a Group Leadership Team
- A Hillwalking Team within the Programme Team

All teams (except Section Teams) can have their own sub-teams. Scout Active Support Units may also become sub-teams. You can decide locally if sub-teams are needed, and what they're called.

Sub-teams are optional and can be set-up at any time by the main team. But it's a good idea to start thinking now about whether sub-teams might be useful in your local area, and who might be in them.

Current Sub-Teams

The current sub-teams are:

- [Media & Communications Team](#)
- [Blackhills Campsite Service Team](#)

Some of our (sub) teams are currently paused or yet to be formed, depending on volunteer availability.

Suggested Support Team sub-teams by Scouts UK:

- Growth and New Provision Team - helping Scouts to grow locally.
- Communications Team* - working to engage with local media.
- Community Engagement Team - cultivating our relationships with other organisations.
- Property and Equipment Team - checking bookings and ongoing maintenance.
- IT and Digital Team* - supporting IT, website, social media, email and technical aspects of wider communications

**The Communications and IT and Digital Team have combined to create Media & Communications.*

Our strategic plan

By 2023 we will have prepared more young people with skills for life, supported by amazing leaders who deliver an inspiring programme. We will be growing, more inclusive, shaped by young people and making a bigger impact in our communities.

Society is changing. In often fragmented communities, the pressures and expectations on young people are increasing. The future is uncertain. Scouts has never been so important in helping young people prepare for the future, developing the skills they need to succeed in a changing world. Each week almost half a million young people enjoy fun, friendship and outdoor adventure. They develop a sense of optimism and strong values as well as the leadership and team working skills that are more valuable today than ever.

Our movement achieves remarkable things. Our previous plan, Scouting for All, inspired new Groups and sections to start in an additional 834 areas of deprivation since 2013. We now help over 460,000 young people aged 6-18 (including the highest number of girls in our history) get the best possible start in life.

Now we want to go further. Skills for Life is a strategy that supports and empowers our volunteers who are the people that make Scouts a reality. It's a strategy to bring communities together and contribute towards a better society. But most of all, it's a strategy for young people. They deserve the best skills, the best support, and the best possible futures.

Skills for Life

Our plan to prepare better futures 2018-2023

Our vision

By 2023 we will have prepared more young people with skills for life, supported by amazing leaders who deliver an inspiring programme. We will be growing, more inclusive, shaped by young people and making a bigger impact in our communities.

Our mission

Scouting actively engages and supports young people in their personal development, empowering them to make a positive contribution to society.

Our values

We act with care, respect, integrity, cooperation, exploring our own and others' beliefs.

Our goals

We will achieve the following goals against our four objectives:

Growth

- 50k more young people
- 10k more Section Leaders
- 5k more Young Leaders

Inclusivity

- The demographic of adult volunteers reflects society
- In 500 more areas of deprivation

Youth Shaped

- 250k young people shape their Scouting each year
- 50% young people achieve top awards

Community Impact

- 250k young people making a positive impact in their local communities each year
- 50% young people achieve top awards

Our three pillars of work

To meet these objectives, we will focus on three pillars of work:

Programme	People	Perception
A fun, enjoyable, high quality programme consistently delivered and supported by simple (digital) tools.	More, well trained, better supported and motivated adult volunteers, and more young people from diverse backgrounds.	Scouting is understood, more visible, trusted, respected and widely seen as playing a key role in society today.

‘I believe that Scouts empowers young people. It gives them skills to achieve the remarkable, and opportunities to develop a deeper understanding of the rapidly changing world.’

Tim Kidd, UK Chief Commissioner

Bradford North Scouts – District Support Team Leader
